CAREER COACHING

CCI coaches individuals in one of the most important aspects of their lives—their career. For most people, the job or career is second only to family and personal matters in importance.

OUR GOAL

CCI's goal is simple. It is to help clients discover a challenging and rewarding career that is a thrill not a struggle. The fee-based service helps lead clients to new and exciting job opportunities.

CCI WORKS FOR INDIVIDUALS, WHILE RECRUITERS WORK FOR COMPANIES

Our approach is very different from other organizations. By working with a client over dozens of hours, CCI coaches actually start out by discovering the personality of the individual. We then match the job to the client's personality and skills. No wonder CCI's statistical success rate is reported at above 90%.

TAKE CONTROL OF YOUR CAREER AND FIND THE JOB THAT FITS YOU

Our clients include professionals in management, finance, engineering, science, medicine, education and communications. We offer guidance on how to:

- Build a profile that spotlights your talents and unique personality;
- Develop a résumé that will get employers excited to meet you;
- Use tips, tools and guidelines for every stage of the hiring process including mock interviews in preparation for real interviews;
- Get past the 'gate keepers' to the people that do the hiring.

We focus on one-on-one coaching, helping you to discover the 'unseen' job market and how to negotiate the best salary.

CAVEAT

It would be irresponsible of CCI to guarantee a new job or even contacts for a new job due to the many uncontrollable factors at play: the willingness of you, the Partner, to follow the instructions of the Coach; the nature of the career being pursued; or, the location factor. That being said, CCI rarely fails to help its Partners uncover the right job and enjoys a history of leading many, many Partners to new careers. Check our testimonials.

COST

Your investment provides answers for one of the most important aspects of your life. The investment is often returned to our 'Partners' with the first career change—either through finding a job much faster or through our guidance in negotiating a higher salary.

OUR GUARANTEE

The Life-Time Assurance of CCI provides continuing support, regardless of when your contract ends, or how long you seek your Coach's advice—at no extra cost.

CCI guarantees that an experienced Coach will be in your corner, guiding you step-by-step, on one of the most important journeys of your life. If at any point you feel that CCI has not met the agreed expectations, CCI will refund your fees pro-rata.
